C/A No. 16-16832, 16-16905

ORDER ON MANDATE

16 The above-entitled cause, having been before the United States Court of Appeals for the  
17 Ninth Circuit, and the Court of Appeals having on May 8, 2019, issued its mandate vacating in  
18 part and remanding the judgment, and the Court being fully advised in the premises, NOW,  
19 THEREFORE, IT IS ORDERED that the mandate be spread upon the records of this Court.

20 Following the Supreme Court's decision in *Rimini Street, Inc. v. Oracle USA, Inc.*, 139 S.  
21 Ct. 873 (2019), the Ninth Circuit remanded the matter back to this Court for further proceedings  
22 in accordance with the Supreme Court's opinion. There, the Supreme Court overturned the Ninth  
23 Circuit and held that a district court may only award the "costs" specified in 28 U.S.C. §§ 1821  
24 and 1920. Previously, pursuant to Ninth Circuit precedent, this Court had awarded Oracle  
25 \$12,774,550.26 in "costs" following its success at trial. The Supreme Court vacated the award  
26 entirely, which leaves the question of to what costs, if any, Oracle is entitled. To resolve this issue,  
27 the Court establishes the following briefing schedule: Oracle may file a renewed motion for "costs"  
28 no later than **July 8, 2019**, Rimini may file a response no later than **July 22, 2019**, and Oracle may

1 file a reply no later than **July 29, 2019**, and the briefing by both parties must comply the Court's  
2 most recent order (ECF No. 1240).

3 IT IS SO ORDERED.

4 DATED this 10th day of June, 2019.
